Subject: Recommendation for Mugabe Prince

Dear Sir/Madam,

I am writing this letter for **Mugabe Prince** he is one of our students of the Adventist University of Central Africa (AUCA) waiting the graduation in November 2024, in the Faculty of Information Technology Software Engineering.

In the performance of his studies, **Mugabe Prince** has learned a lot which would certainly affirm his success in his academic endeavors. Kindly permit me to add that during his stay at AUCA, I have found him to be a committed, patient and disciplined person. He listens to remarks and he is dedicated to his academic work and social services. His positive attitude during his life at AUCA has maintained him to be in good tune with the laws and terms of the University academic regulations.

He has been academically performing excellently and I believe that this will contribute to his success in his employment area.

Any other information that you may wish to have about **Mugabe Prince,** kindly address it to me for any further assistance.

Thank you very much for your collaboration with us.

Sincerely,

Prof. Niyonzima Theogene (Ph.D)

Deputy Vice Chancellor for Academics

Prince MUGABE
Phone: +250 788 457 408

NDG

Dear MUGABE Prince,

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect i the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to LPI.org to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,
The NDG Team

NDG LINUX SERIES

We hope you'll continue your Linux studies with the NDG Introduction to Linux I course. This course prepares you for the LPIC-1 101 Exam, the first of two towards the LPIC-1 Linux Server Professional certification fron the Linux Professional Institute (LPI). The LPIC-1 certification will show you have the in-demand Linux skills that employers are seeking.
